## SWINGING ON WITH STAR!

\*\*\*\*\* It's me, again. I'll bet you think I's a real blast being the Executive Editor of *Star Comics*. You're probably convinced that I really enjoy spending most of my time working on the full color adventures of guys like *Heathcliff*, *Thundercats*, *Spider-Ham* and the *Care Bears*.

Well, you're right.

I really love my work. I have the greatest job in the whole world. People actually pay me to read comic books. Can you believe it?

This is what I've always wanted to do. For me, it's a dream come true. A dream which began many years ago...

## THE DAY TOM STARTED DREAMING!

\*\*\*\*\* I don't remember the exact year or month. I think I was maybe eleven or twelve years old at the time. There was snow on the ground, and it must have been a Saturday afternoon because I wasn't at school. The thing I remember most was that I was bored. I wanted something interesting to happen. I was in the mood for adventure.

So, I went to the local soda shop, and checked their comic book rack. It was one of those big spinning things.

I began flipping through the rack, desperately hoping to find something exciting to read. Suddenly, I noticed a flaming

figure on one of the covers. He was the *Human Torch*, and it was the cover of *Fantastic Four* #3. A few minutes later, I spotted the *Torch* on another cover—*Fantastic Four* #4.

Needless to say, I bought both comics... and they were great! The most exciting comics I had ever seen!

## TOM'S DREAM!

\*\*\*\*\* That's the day I started to dream. What did I dream about? Well, I wanted to write comic books! I guess I'm a very lucky person. Ever since I was eleven or twelve years old, I've always known what I wanted to do with my life. I've had to work real hard to get here, but it was all worth it. I'm very happy here at *Star Comics*, and I'm glad that I get to share my happiness with you.

## DO YOU DREAM?

\*\*\*\*\* I'm sure a lot of people have asked you what you want to be when you grow up. Maybe you already have a dream. Maybe you don't. If you do, work hard for it. Don't let anything stop you from trying to reach it. My dream came true, maybe yours will too.

Maybe you don't have a dream yet. Don't worry. It will come... someday. In the meantime, you can try a lot of different dreams... until you find one which fits

... which suits you perfectly. Experiment! Try different things, and keep an open mind! You'll know your dream when it hits you. Maybe you'll be a doctor, an astronaut, an actor or a teacher. Whatever it is, I wish you luck!

## JUST A THOUGHT!

\*\*\*\*\* There's always a chance that you share my dream. Maybe you're eleven or twelve years old right now. Maybe you just picked up a few *Star Comics*, and think they're the greatest things you've ever seen. Maybe someday you'll be writing a column like this. If that's your dream, you'd better start working toward it. Read as many books as you can—real books as well as comics. Study hard in school. Ask your teachers to show you how to draw or write stories. Go for it!

By the way, if you ever do break into comics, stop by and say hello. I really enjoy talking to dreamers.

That's all for now! Until my next *Star Signals*...

Thanks for being there!

Tom D.

Tom DeFalco, S.T.A.R.  
Executive Editor
